

JESUS' MOVEMENT

A - Every spirit has to be existent, living, progressive, responsible, and consequent in order to reach the Finality, the return to the Divine Unity, in a total vibrational equity, or, returning to be God in God, that is, accomplishing the statement of the bible that says: YOU ARE GODS.

B - While the spirit straggles in the inferior grades of the biological scale, or in the sub-human phase, without notion of moral and justice, is not responsible.

C - As the instinct starts transforming into intelligence through the evolutive process, it gradually begins to be responsible.

D - Nothing is more dangerous to the spirit than to enter the intelligent phase without knowing its Divine Origin, immortality, and responsibility for all of its deeds.

E - Intelligence doesn't mean Conscience.

F - The humanity is full of intelligent elements who act against the Moral and the love, by lack of knowledge of the Initiatic or Divine Truths, creating, this way, terrible negative karma.

G - There isn't any scientific, technical, cultural, philosophic, or artistic conquest that doesn't implicate in a growth of responsibility.

H - It is not during the incarnation, blinded by the density of the physical body, that the spirit comes to have the maximum notion of its Divine Origin, of the Evolutive Process, and of the Sacred Finality to be reached.

I - The Revelation, the True Initiation, the mediumic faculties, etc., are the means that the Divine Providence puts in the reach of the spirit.

J - It is a shame that so many and wonderful Graces be so badly used by some, so stupidly exploited by others, so manipulated by pharisees, hypocrite politicians, vote plying, fanatic sectaries and other human dirties

K - The human inferiority acts through superstitions, sectary fanatisms, clericalnesses of religious professional groups, editorial sectary exploitations, determinations of groups which try to be the owners of the truth and of the Doctrine, The professionals of the religion are, however, the worst enemies of the truth and of the doctrine.

L - God's Law, Jesus Christ, and the good Revelation teach that the true religion is resumed in this; TO KNOW THE TRUTH AND TO PRACTICE THE GOODNESS (to act well).

M - What dynamises the LOVE is the GOODNESS.

(It is GOODNESS which dynamises the LOVE)

N - According to the Law and to Jesus, TRUTH means everything in everything, because the Unity is everything; God as Cause and God as Manifestation. Therefore, unhappy is the one who intends to grow out of the fundamental Ruling Laws,

O. POLIDORO

Reader's Digest of March 1972 publishes an article condensed from Time Magazine about a youth movement in the United States of America, with the title above. The article states that, after all sorts of misbehaviors, errors, depravation, inversion, and crimes, the youngsters found Jesus Path, being now in feverish campaign for adepts. Youngsters all over the world should take notice of such movement and engage to it for a truly freeing apostleship. This final part of article should be, however, carefully read by the lovers of the truth; «Something I know is that these youngsters are turning to Jesus; my preoccupation is that the conventional church may happen to avoid this youth, losing, this way, this true spiritual renaissance of our days».

Thanks God somebody decided to expose to the world the real responsables for the corruption of the Excelsa Doctrine of the Path, left by Jesus: «The clergies that have been built throughout the centuries, the conventional churches with their professionalisms, their pharisaisms, their machiavellian ambiguous politics, presenting a Jesus that wasn't the same Jesus Who really lived for leaving in the world a living doctrine, established about the Generalized Revelation». In such way, the lie took the place of the truth throughout the centuries that the humanity, or its part called christian, planted its roots in it, and now takes the True Doctrine of the Christ as if it were the error, the corruption of the doctrine, etc. . .

If the youngsters of «JESUS' MOVEMENT» really wanted to make a revolution with Jesus for the fundamental renewal of the Excelsa Doctrine and of the humanity, it would be sufficient that they learned to read the bible, because the Doctrine of the Christ has these irremovable initiatic fundaments:

A - Moral of God's Law for, when somebody asked Jesus something about behavior, He answered: «Go and act according to the Law».

B - The Same Jesus' Renouncing Love, for which He immolated Himself.

C - The Baptism of Spirit, or the Generalization of the Consolator, such as it was being announced and waited since Moses. This fundamental reality of Jesus' messianic function, the execution of the promise of the Father, was what suffered more distortion, corruption, and blasfemies of the clergies and conventional churches for, to this Supreme Grace of God, they called and still call (label) «things of the devil (belzebu)».

Divine Moral, Jesus' renouncing Love, and Generalization of the Revelation, understand once and for all, form the Doctrinary Synthesis of the Christianism, of the true Cristianism and not of the formal, idolatrous, and political allurements of the clergies and conventional churches. Let's study now, in the bible, the living part of the Excelsa Doctrine of the Path, left by Jesus: -

FIRST TIME: Moses, the great medium, wants the revelation Ge-

neralized:

«I wish that the Lord gave His Spirit and that all the people could prophesy» — numbers 11, 29;

SECOND TIME. God promises the generalization of the revelation for future days:

«I will spread my Spirit over your seed, and my Bless over your descent». — Isaiah, 44, 3; —

«I will spread my Spirit over all the flesh, and your sons and daughters will profess, your ancients will have dreams, and your youngs ters will have visions». — Joel, 2, 28; —

«Make of your angels, spirits, and your miniters, abrasive fire». — Psalms, 104, (Be careful with certain adulterated bibles).

THIRD TIME: John Baptist and Jesus, during their incarnation prepare the human ambient in order that the Father's Promise may be accomplished.

Observe what They promised and what mediumistic phenomena

They produced, everything according to the Old Testament: —

«He, over Whom you see the Spirit to descend, will baptize in Spirit». — John, 1, 33.

«But the Consolator, the Holy Ghost, That the Father will send in my name, will teach you everything, and will recall to you everything that I have told you». — John, 14, 26.

«But, when the Spirit of the Truth comes, He will conduct you in all the truth». — John, 16, 13.

«From now on you will see the Heaven open and the Angels of God going up and down over the Son of the Man». — John, 1, 51.

«God is not of the dead ones but of the living ones because, those who deserve the resurrection, will be like the Heavenly Angels». — Matthew, chapter 22.

«And it happened that two men were talking to Him, and they were Moses and Elisha». Lucas, chap. 9.

FOURTH TIME: After preparing everything during His incarnation Jesus is persecuted, insulted, arrested, manacled, spat, slapped, lashed, with a leadtip whip, and crucified. He was the only one among the great masters and initiators, Who returned as Spirit to finish His mes-sianic task. Observe what happened in order that the generalization of the Consolator, the communicability of angels, spirits or souls, to remain in the world as the living reality of the Doctrine of the Path: —

«But you will receive the virtue of the Holy Ghost that will come over you, and you will be my witnesses in Jerusalem, Judah, and Samaria, and to the end of the Earth». — Acts, chapter 1 (one).

«And plain of the Holy Ghost, they went and started talking in other languages, as the Spirit allowed them to speak». — Acts, chapter 2.

«Because for you is the promise, and for all that are distant, and for all that the Lord wants to call». Acts, chapter 2 (two).

«Because to one, by the spirit, is given the word of wisdom, to the other, of science, to the other, of faith, to the other the capacity for curing, to the other the production of wonders, to the other the prophecy, to the other the perception of the spirits, to the other the different

languages, and to the other the interpretations». — Epistles I o the Corinthians. chapter 12.

«He who has ears, hear what the Spirit says to the churches». — Apocalypse, chapter 2.

«Because the witnessing of Jesus in the spirit of prophecy». — Apocalypse, chapter 19.

«You, hard of spine and neck and empty of heart, you always resist to the Holy Ghost. You are like your parents». — Acts, chapter 7.

«And the disciples were full of joy and of the Holy Ghost». — Acts, chapter 13.

«Clearly saw an angel of God». — Acts, chapter 10.

«And the spirit told me to go with them». — Acts, chapter 11,

«Because, last night, the angel of God, whom I belong to and serve, Was with me». — Acts, chapter 27.

«And said the Lord to Paul, in a vision». — Acts, chapter 18.

«Extending your hand for curing and for making prodigies by the name of Thy Saint Son, Jesus». — Acts, chapter 4.

«Because, being exalted by God, and having received of God the promise of the Spirit, spread it over us, as you are now seeing and hearing», — Acts, 2, 33.

«Beloved, don't believe to every spirit, but make sure that they are of God's, because there have already been several false prophets in the World». — Epistle I, John's, chapter 4.

Without clergies and conventional churches, or plots of formalist groups and historical speakers, the Excelse Doctrine of the Path was practiced by the apostles and disciples until the fourth century when Rome founded its church and began to label the Generalized Consolator and spiritual or mediumic andowments as «things of the devil» and everything dived into ignorance, error, materialism, brutality, inquisition, politics, etc. When the Reform appeared, it was just one more conventional church, maker of historical speeches, also labeling the Revelation Generalized by Jesus as «things of the devil»; And these two filthinesses, the roman and the so called reformist, live until our days, deceiving the people, forging ignorance, errors, materialism, etc. Somebody should take interest by the TRUTH and by the youth all over the world, teaching the TRUE CHRISTIANISM, the Doctrine that, by its fundament in the Divine Moral, in the Love, and in the Revelation, could never be made slave of the mean interests of conventional churches or schedules forged by any pharisees and politicians.

That the youngsters learn how to read the bible, and how to know the doctrine contained in it, and that they go all over the world for teaching the truth to the apostates who, in the name of God, of the truth, of Jesus, and of the apostles, have always deviated the humanity from the Excelse Doctrine.

The Prejudice of the Unconsciousness

It is of fundamental importance to acknowledge:
